

# STOKE MANDEVILLE METHODIST CHURCH

*FLOWER FESTIVAL AND CHURCH ANNIVERSARY  
May 24th & 25th 2008*

It is a pleasure to report on the hugely successful Flower Festival which was held as part of the Church's celebration of 50 years since the foundation stone of our building in Eskdale Road was laid.

Representatives from Circuit Churches were invited to take part and were given a hymn to work with. They developed the theme of the hymn and designed the most beautiful floral arrangements to add to our own.

The celebration continued on Sunday, 25th with our Anniversary Services. The evening service was a Circuit Service led by our Minister, the Rev. David Jenkins.

David suggested that we should remember with affection all the events in the life of the Church over the past 50 years, that we should not worry unduly about the future but rather deal with the here and now by moving on with optimism.

It was great to see a full church with people from all parts of the Circuit and St. Mary's Parish Church, that optimism is certainly fuelled by the demonstration of support from the Circuit for which we thank all who worked so tirelessly and expertly to make this weekend so memorable.

Arrangements by the Stoke Mandeville team reflecting this Golden Anniversary

This beautiful arrangement just below the pulpit was also designed by the SMMC Team

Last but not least was the arrangement from **Aylesbury** on the theme of a little known hymn 'As the Bridegroom to his Chosen'

We are indebted to Yvonne Keep who did much of the organising, to Charles Gibbs who chose the themes and with Yvonne was responsible for the SMMC flower arrangements, and to all the artists from around the Circuit for the time and effort put into the design and creation of all these magnificent displays which helped to make the weekend so memorable.

Yvonne also prepared the exhibition of photographs and other memorabilia, set out in the Guild Room, which was enjoyed by so many visitors and members.
