Helping children from the streets and slums in Kenya

Karibuni Trust, a UK registered charity, based at Stoke Mandeville, transforms the lives of Kenyan boys and girls through feeding programmes and through the power of education.

Karibuni focusses on supporting children from the poorest backgrounds into education and walking with them as far as they are able to progress – from nursery through to university or college. At each project the staff care for the children and their families until they have the knowledge and skills to be independent – and already graduates are returning to support and encourage the younger children in the programmes. In total some 1000 children of varying abilities are being supported.

To do this transforming work Karibuni needs to raise £250,000 each year and to get us towards this total, the charity will hold its second Family Fun Day on Saturday 23rd July 2016 between 11.00 a.m. and 4.00 p.m. in Hampden Square, Fairford Leys and in the adjoining Community Centre. Attractions will include those on the front of the flyer.

If you are interested in having a stall, please contact us by email at: admin@karibuni.org.uk or by phone 01296 428319 and leave a message.
