C/o Miss Marilyn Dore

Dear Friends,

In his recent Reith lectures, Daniel Barenboim said that transition is essential to human life. Over a century earlier Cardinal Newman expressed the same insight in saying "To live is to change". Think of the many developments in our lives from babyhood until now! Transition is not easy; change can seem threatening and unsettling; but it can also be hugely exciting and of tremendous significance.

This quarter sees an ending and a beginning. Both the Aylesbury Circuit and the Leighton Buzzard and Stewkley Circuits will cease to exist, as will the London NW District, to which both Circuits have belonged for many years. Our new shared identity as the Aylesbury Vale Circuit in the Northampton District begins effectively when Rev Jim Goringe is welcomed at a Circuit Service at Stewkley on Wednesday 30 August at 7.30 pm.

For those of us in the current Aylesbury Circuit there will not be the same mixed emotions of our new friends from the Leighton Buzzard and Stewkley Circuit, where, as that Circuit divides on county boundary lines, relationships established over many years will be affected. We feel for our new friends in the transition they will be going through and assure them of our own warm welcome. Together we look forward to engaging in the challenging work in front of us in our new Circuit.

May God sustain us all in our shared mission,

David Jenkins
